Complaint letter

Dear New Mexico Federal Appeals,

Robert H. Day one time won part of a New Jersey state lottery. Upon winning the lottery Robert was contacted by the state of New Jersey in regards to buying state bonds with his winnings. He did but then elements of corrupt New Jersey Government tried to abscond with the winning by way of denial of the purchase and then denial of holdings.

New Jersey State Police, New Jersey Public officials, and Members of the New Jersey Lottery Commission panicked and tried to kill Robert Day. Many people were tried for this in Federal Court in New York and some were executed.

The deal then was that once a year New Jersey would send a car for me and then take me to New Jersey so I could see the bonds and obtain a certified accounting. This happened once, maybe twice and then more criminal proceeding occurred against New Jersey in Judge Mario Cuomo's Court Room in Manhattan New York.

Stocks are also part of this bond deal and those have since been handled by New Jersey State officials. Any denial of the existence of these treasured assets is part of bogus and murderous scheme that was busted by The New York State Police and NYPD.

Robert asks the Navy to call upon The Federal Marshalls Service, The Federal Bureau of Investigation, New York State Police, NYPD, Judge Mario Cuomo, and Mr. Rudy Giuliani to validate these claims. I believe President Clinton might have seen these proceedings also and The New York City Police Commissioner's office monitored the entire trial.

Conversely and appropriately described as the defendants now for 13 years The New Jersey State Police, The New Jersey State Lottery Commission, and The State of New Jersey should be called upon to answer these claims that are in fact part of Racketeering convictions upon the three organizations. This case was heard in New York Federal Court sometime in 2000.

It was a terrible case and the court has really yet to finish the proceedings in a criminal nature but criminal damages were also awarded to Robert Day and Robert thinks that accounting and disclosure of this money should be part of the case also.

Thank You,

Robert Day

I do believe this case has been in New York appeals by Judge Matthew Cusmo and by the chief appeals Judge in New Mexico, Albuquerque court house,

I really want alot of this cashed so I can enjoy it. They don't take Gold at the Grocery store and if I had know what was going to happen after I won the lottery I probably would have stored the bond elsewhere or bought elsewhere.

I think this case is called Day against the state of New Jersey. It could also be called The state of New York or I think the city of Albuquerque for Robert Day or in trust of Robert Day against New Jersey defendants.

- ① I won the lottery by lottery investment playing in New York.
- ② The state of New Jersey said that I should buy N.J. state bonds and I did.
- ③ The N.J. state police and ~~the~~ crooked politicians tried to steal the Bonds + stocks and were caught.
- ④ Some of people caught panicked as they were part of a larger scheme and tried to kill me.
- ⑤ The final result was execution of a bunch of New Jersey state crooks. I am not sure if all of the bonds were found or the stocks fixed.
- ⑥ I want to get paid for this. It's a bunch of ~~the~~ racketeering convictions that even right now cause hardship or quality of life issues for this victim.
